**DOUBT?
LONG SINCE
OVERTAKEN.**

A teal BMW X3 M35i is shown from a rear-quarter perspective, driving on a city street. The car's license plate is M SJ 5130. In the foreground, a man in a white tracksuit with red accents is running towards the camera with a determined expression. The background features a bright yellow wall, palm trees, and a modern building.

**CONFIDENCE
FROM
EVERY ANGLE.**

HANDLES THE
SITUATION.

FIRE
HOSE
KEEP CLEAR

A detailed view of a car's interior, focusing on the front seats and dashboard. The seats are upholstered in black leather with visible stitching. The dashboard features a large, curved digital display showing a navigation map. The steering wheel is black with a silver center. The center console has a gear shifter and handbrake. The car is parked in a lot with a yellow building and a blue sign in the background.

**THE BEST
SEATS BY FAR.**

**NOTHING IS
THE WAY YOU
KNOW IT.**

A teal BMW 2 Series Active Tourer is shown from a rear three-quarter view, driving on a paved road. The car is positioned to the right of a black metal fence with yellow bollards. In the background, there is a building with a red horizontal band and a perforated metal facade. The license plate reads 'M SJ 5130'.

**FIRST
IMPRESSIONS
ALWAYS
COUNT.**

STYLE AND SUBSTANCE A PLenty.

* Standard for M Sport and M235i models.

■ Standard equipment □ Optional equipment

□ All light functions in the BMW Adaptive LED Headlights use LED technology and include daytime driving lights, cornering lights and turn indicators, low-beam and high-beam headlights, adaptive headlights with city, main road and motorway mode, motorway beam pattern and automatic beam-throw control. Part of the Tech Pack.

■ The M Sport seats have integrated head restraints as well as improved lateral support and seat height adjustment for the front. They are available as standard in Trigon Cloth/Alcantara Anthracite upholstery with optional Magma Red with a Grey highlight or Black with a Grey highlight available at an extra cost. Exclusively for M235i xDrive.

□ The Panoramic glass sunroof provides mesmerising views and allows a great deal of light into the interior lending it a particularly spacious and open ambience.

□ Park Assist makes parking easier with Parking Assistant, Reversing Assistant, Lateral Parking aid and Reversing Assist camera. Part of the Tech Pack.

■ The eight-speed Sport transmission with Steptronic offers sporty gear changes using the gearshift paddles or gear lever, for comfortable coasting or incredibly dynamic driving. Not available on 218i models.

□ The outstanding harman/kardon surround sound system features a 464W digital amplifier, nine channels, 16 speakers and individually adjustable equalising. Selected speaker bezels feature a harman/kardon designation. Only available with the BMW Live Cockpit Professional. Part of the M Sport Plus Pack for M Sport models and the M235i Plus Pack for the M235i xDrive model.

■ The Through-loading system has rear seat backrests which are divisible in a 40:20:40 ratio and that guarantee flexibility when transporting people and objects.

■ The rear-view mirror features a frameless design and has an automatic anti-dazzle function that protects the driver from being dazzled by bright lights by darkening its reflective surfaces when light intensity exceeds a defined limit.

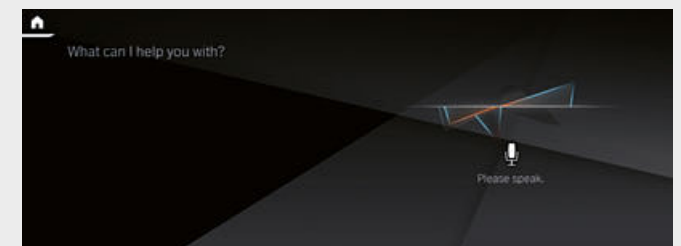

□ The BMW Live Cockpit Professional includes two high-quality displays consisting of a high-resolution 10.25" Control Display and a fully digital 10.25" instrument display. It also features the BMW Operating System 7.0 with variable, configurable widgets that display information in real time. Standard for M Sport and M235i xDrive models.

□ Driving Assistant supports you in numerous driving situations and brakes automatically in case of an emergency. It includes Lane Departure Warning, Lane Change Warning, Approach Control and Pedestrian Warning with city braking function, Rear Crossing-traffic Warning and Rear Collision Prevention. Only available on models fitted with automatic transmission and Active Cruise Control.

□ Why take your key with you if you have your compatible smartphone with you? The Digital Key or Key Card allows you to lock and unlock your BMW and even start the engine without needing a physical key. It can be downloaded to your compatible smartphone using the BMW Connected App and shared with family and friends. Available for one year.

□ "Hey BMW. Who are you?" Wouldn't it be incredible if your BMW was also your personal assistant? Communicate with your vehicle using the BMW Intelligent Personal Assistant. It knows you, gets better every day and helps out whatever the situation. You can assign your own personal activation word. It can explain everything about your car and helps you to get to know your BMW even better. Standard for M Sport and M235i xDrive models. Optionally available for Sport models with BMW Live Cockpit Professional.

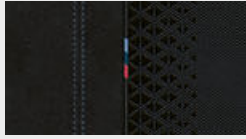

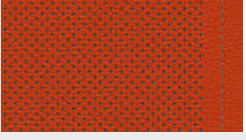

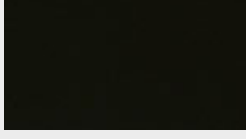

¹ Prerequisite is a BMW ConnectedDrive account and a compatible smartphone with NFC technology and integrated secure element. For customers with non-compatible smartphones, a high-quality key card is provided.

GENUINE BMW ACCESSORIES.

Equipment 24 | 25

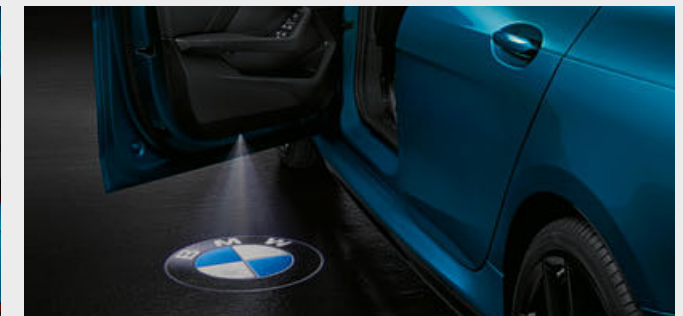

■ Standard equipment □ Optional equipment ○ Accessories

○ Wireless charging, any time and anywhere: thanks to the BMW universal wireless charging station the smartphone can be charged comfortably and efficiently without a cable in the vehicle. The mobile phone is stored in a stable and safe way. The integrated powerbank can be removed and enables wireless charging outside the vehicle.

○ The perfectly fitted, anti-slip, durable mat with raised borders on all sides protects the luggage compartment from dirt and moisture. It is designed in Black.

○ The LED door projectors are activated when the doors are opened. They project an image onto the ground next to the car using an interchangeable slide.

○ The perfectly fitted, durable all-weather floor mats with a raised border and elegant design protect the front footwell against dirt and moisture. They are Black and feature a stainless steel inlay.

○ Sporty 19" M Performance light alloy Double-spoke style 555 M wheels in Bicolour.

BMW packages in the new BMW 2 Series Gran Coupé are designed to create greater convenience, functionality, desire and comfort on any drive. With options ranging from a selection of visually enhancing alloy wheels to the comfort of keyless access, this generous selection of combinations will enhance any journey in your new BMW 2 Series Gran Coupé.

■ Standard equipment □ Optional equipment

TECH PACK.

Offering the latest innovations, the Tech pack is the perfect companion on any journey. From the ability to charge your phone wirelessly, to the convenience of relevant driving information projected onto the windscreen, this package enhances your driving experience. Available as part of this pack:
